

See More Together

Join the UN Road Safety Fund
on our Partner Highlights Trip
to Zambia from 1-6 November
2022.

We know you care about children at risk just walking or riding to school on unsafe roads. Take the time to see close-up what the UN Road Safety Fund is doing with your support to save children's lives.

What's coming up

Join us on our next Highlights Trip to Lusaka, Zambia taking place from 1-6 November 2022.

What you'll see

Witness how journeys to school in the city are that much safer today thanks to pedestrian crossings, signs and speed limits now in place at Tionge and Chamba Valley Primary Schools.

Meet with the children from schools across Lusaka, hear their stories and see the impact of your support first-hand.

Join the dialogue with local partners creating safe school zones and add your insights to what more can be done to shape and scale our child-friendly solutions.

What you'll do

Experience our interactive 5-day programme in Zambia expertly managed by the Fund team. Showcase your organisation in impact stories, interviews and media coverage from the Trip.

We hope you can join us.
