

Expert Connect – Motorcycle Safety

Source: WHO, 2023

Guided by the UNRSF Global Framework of Action and through engagements with road safety stakeholders, UNRSF Participating Organizations, and donors, the UNRSF Secretariat has convened multi-stakeholder expert sessions and facilitated knowledge exchange to identify priority interventions for motorcycle safety and foster synergies among stakeholders.

These expert sessions include:

- [Brands for Safer Roads: Motorcycle Safety](#)
- [Fireside Chat: Safe and Affordable Helmets Initiative](#)
- [High-Level Roundtable: Motorcycle Safety](#)
- [High-Level Roundtable: Catalyzing motorcycle industry leadership on the road to Morocco](#)
- [Webinar series: Informal Multistakeholder Consultation on Child Passenger Safety](#)
- [Webinar: World Motorcycle Day - Strengthening motorcycle safety globally-](#)
- [Media article: UNRSF Technical Newsletter – Spotlight on Motorcycle Safety](#)
