

PLATFORMS OF ENGAGEMENT

OPEN DAY –

SPECIAL EDITION NEWSLETTER

THANK YOU FOR JOINING US!

The first edition of the UN Road Safety Fund's new online knowledge forum with leading public and private sector, civil society and UN partners took place on Friday 3 March 2023.

Reaching over 300 attendees, who joined from across the globe, the event showcased results from projects on safer streets in Mozambique, safer and cleaner used vehicles in Africa, strengthening the post-crash response in Bangladesh and road traffic enforcement in Brazil.

The Fund's network including the UN Special Envoy for Road Safety, the OACPS, UNECA, ANASER Senegal, Swiss Philanthropy Foundation, Pirelli, Autoliv, HUMDA and UNDP shared insights on regional, national and corporate commitments to financing road safety impact.
